

## Rental Equipment

Cole Industrial, Inc. is ready to fulfill your boiler rental needs. We can provide you with emergency or planned service regardless of your requirements, from schools and institutional applications to high pressure steam for process loads.

In addition, we offer Quick Installation! for all of our rental units.

We stock a fleet of rental boilers!

- Boilers ranging from 20 HP (690LBS/HR) to 4000HP (140,000 LBS/HR)
- Heat Exchangers, Feedwater Sets, and Fuel Systems
- Steam (high & low pressure) and Hot Water
- Containerized Steam Plants & Trailer Mounted Boiler Plants
- Ready to Ship, 24-Hour Mobilization
- State Inspected and Certified

Quick Installation!

Few things cause more problems to a company's schedule and bottom line than a boiler that goes down unexpectedly . . . but it does happen.

That's why we stock dependable rental boilers and accessory equipment!

Considering Boiler Rental? We have a Boiler Rental Checklist to help you make a smooth transition.
