PARTS, SERVICE, REPAIR, USED & RENTAL EQUIPMENT

PARTS DEPARTMENT:

Our parts distribution system, which is embedded in five (5) branch offices and more than (25) service vehicles, allows for the quickest response time in the Northwest.

- Largest boiler/burner parts inventory in the Northwest
- Emergency 24-hour shipments available
- Genuine Cleaver-Brooks parts
- High quality parts available for all makes and models of boiler-burners
- Computerized inventory with network links to our manufacturers
- Will-Call parts pick-up available in Lynnwood, WA and Boise, ID

SERVICE & REPAIR DIVISION:

*We provide comprehensive quick response service with the most technically qualified combustion and control service team in the industry. Our certified technicians provide regularly scheduled preventative maintenance as well as 24-hour a day emergency call-out service. We offer **Service Contracts** that are custom-fit to our customers' needs.*

*Cole Industrial, Inc. is certified with the **"PP" Power Piping Stamp** by the American Society of Mechanical Engineers (ASME) and with the **"R" Stamp** by the National Board of Inspection Code (NB) for making pressure vessel repairs and alterations. Our highly skilled staff is capable of managing complex projects in the field or in one of our four (4) shops.*

Since testing and combustion tuning of boilers are essential to a successful commissioning program, Cole Industrial, Inc. takes great pride in making startup a major focus in our Project Management Group. Our services include testing for emission levels, ASME PTC4.1 efficiency, CSD-1 safety controls, and control systems.

- 24 / 7 Emergency Services Available across our entire Region (Washington, Oregon, Idaho, Alaska)
- Servicing on Most Makes & Models of Boilers
- Complete Boiler Repair and Maintenance Including: *Pressure Vessel Repair or Alterations, Boiler Re-Tubing, Power Plant Maintenance & Repairs, System Analysis, Upgrades & Retrofitting, Power & Process Piping Fabrication*
